

UNITED STATES ARMY
THE CHIEF OF STAFF

4 October 1948

Dear Mrs. Bethune:

I wish to express my appreciation for the service you have rendered and the results you have achieved as a member of the National Civilian Advisory Committee for the Women's Army Corps.

The Committee has been invaluable to the Women's Army Corps, and hence to the Army, through its assistance in the recruitment of Wacs during the critical days of the war, and through its advice on matters relating to the welfare of our servicewomen in World War II.

Although the wartime emergency is over and the mission of your Committee is complete and well done, I hope that we may always count on that same understanding and cooperation in the future from you as an individual which you have extended to us in the past as a member of the Advisory Committee.

Sincerely,

Omar N Bradley
