Friends of the Roosevelt Institute for American Studies

Join the club!

The Friends of the Roosevelt Institute for American Studies Foundation aims to acquire and manage resources for the activities of the Roosevelt Institute for American Studies in Middelburg. Each year, RIAS organizes academic conferences, seminars, and public events on American history and transatlantic themes. Additionally, RIAS offers scholarships to students, doctoral candidates, and scholars who come to Middelburg to conduct research in the RIAS American Library archives.

The resources of the Friends Foundation are explicitly intended to contribute to the costs of activities focused on students and doctoral candidates (including student travel grants, student excursions, PhD seminars, and the annual American Studies Day).

You can choose from four donation models:

For € 50 per year, Friends of the RIAS receive a “Good Neighbor” member status.

For € 100 per year, Friends of the RIAS receive a “Four Freedoms” member status.

Friends of the RIAS who donate more than € 250 in a calendar year receive a “VIP” member status.

Friends for Life—those who donate € 2500 or more—receive a “Golden Member” status.
